Quicker Premium Adult Activ High Energy

Especially nutritionally balanced and specially created food for high-quality working dogs, and dogs that need to have a good appearance and finely shaped muscle mass. Through top quality raw materials, this food is intended for dogs with possible food intolerances. The protein content of fresh meat builds lean muscles, vitamins, minerals and plant substances that help the body function, good eyesight, strengthen the immune system, bone and tooth health and ensure healthy digestion. Quality fats promote skin health and fur shine.
