Quicker Super Premium Adriatic Adult Fish & Rice

Quicker Adriatic Fish & Rice is food created for dogs medium-sized which are known for their energy and they often spend a lot of time outdoors exercising in all weather conditions. Today dogs are medium sizes more often perfect pets than working dogs, therefore their nutritional needs evolved as follows: sedentary lifestyle, sterilization it becomes more common, digestive sensitivity or tenderness skin ... these are all factors to consider in their diet. Such dogs will enjoy Fish & Rice an easily digestible recipe that is a precautionary measure against food allergies because that line was made only from high-quality meat/fish sources and one source of carbohydrates. Balanced ratio of fructooligosaccharides and naturally occurring mannan oligosaccharides vitamin B group provides excellent quality hair and maximum food utilization with minimal load on internal organs. Digestive system and Yucca promotes good digestion and along with beta-glucan boost immunity. Chondroitin glucosamine and the ideal ratio of calcium and phosphorus are nurtured by the musculoskeletal system and also act to prevent joint problems in older dogs who may also use this food. The formula is specially enriched with omega 6 and omega 3 fatty acids.
