SUPER PREMIUM JUNIOR DOG FOOD

85%
Animal protein
of the total protein content

33% PROTEIN

22% FAT

Quicker Super Premium Adriatic Junior Perfect Start

The formula is created based on the latest trends modern diet. Essential amino acids (lysine and methionine), together with a well-balanced complex macronutrients and micronutrients, positively affect growth and development of puppies of small breeds from birth to adulthood age. The high fat content gives it enough energy. The recipe contains at least 85% protein of animal origin.
